Cancer Genetics and Your Story

Cancer Workshop

Thursday, February 23

5:30 p.m. - Registration

6:00 p.m. - Seminar begins

Redlands Community Hospital cordially invites you to attend an in-person workshop to learn more about family cancer syndromes and your risks for hereditary cancers. Learn about the current benefits of genetic testing that could potentially help lower your risk for cancer by understanding your cancer predisposition.

Advance registration is required. Scan the QR code with your smart phone or visit www.redlandshospital.org/cancer to complete the registration process. Plan to join at Redlands Community Hospital, Weisser Education Pavilion.

This workshop is presented by the Redlands Community Hospital Center for Cancer Care.

For additional registration information, please contact
